

We've found thousands of dollars in your parking lot.

A partnership with ParqEx, one of Chicago's hottest parking apps, puts cars in those spots and money in your pocket. (Oh, and we do all of the work.)

Rent Your Open Parking Spots with ParqEx

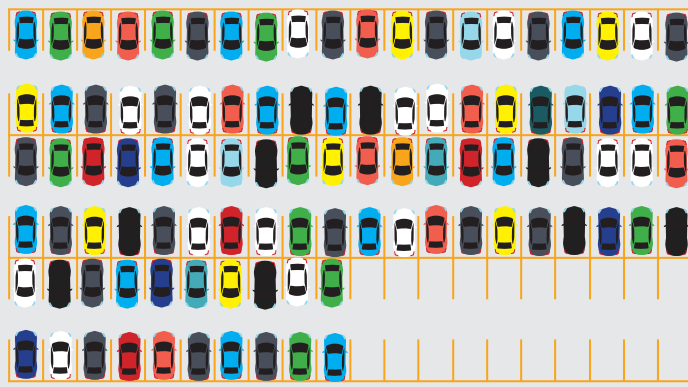

ParqEx lets property owners and tenants rent their parking spots when they're not in use!

Fully utilize all parking spaces you own or manage by:

- **Renting out parking spaces when not in use**
- **Allowing tenants to rent out spaces when available**

For an idea of how much lost revenue ParqEx can produce, consider this scenario...

Your lot:
100 spaces with
20% vacancy

At \$250 per spot per month, these vacant spots could be earning...

\$60,000 /yr

Here's How it Works:

Put those empty spots to work!

- Unused parking spots are listed on the ParqEx app
- Spot owner sets the rental price
- Spot owner collects 85% of all revenue generated from rentals

ParqEx gets one year of all available listings.

The Benefits of ParqEx:
